Temperature Oven 160c, fan 140c, Gas Mark 3

40 g red or natural glace cherries  
100 g softened butter  
100 g caster sugar  
100 g sultanas  
100 g currants  
2 large eggs  
175 g self-raising flour  
1 rounded tablespoon of chunky marmalade

To finish – a little caster sugar

Preheat the oven. Grease a 900g (2lb) loaf tin and line the base with baking parchment.

Cut the cherries into quarters, put in a sieve and rinse under running water. Drain well and then dry thoroughly on kitchen paper.

Measure all the remaining ingredients together into a large bowl, add the cherries and mix well until blended,

Turn into the prepared tin and level the top.

Bake in the pre heated oven for about 1 1/4 hours or until a skewer inserted into the centre of the cake comes out clean.

Leave to cool in the tin for 10 minutes, then turn out, peel off the parchment and finish cooling on a wire rack.

To finish simply sprinkle the top of the cake with caster sugar.

# AUTUMN SHOW

The Committee would like to thank you all for taking part in the Autumn show this year.

Started about seventy years ago by the Women's Institute it remains a popular annual event in the village. It is not primarily profit making. Any money raised is used for the following year's show, but if money does start to accumulate donations are made to local organisations.

We would like to again remind you that this is a show for everyone. You don't have to be an expert in a field, the taking part is important and winning could be a bonus for some. The most difficult entry you will ever make is your first, after that you realise how easy and enjoyable it is. No, you might not win but so won't lots of others! At least come along and have a cup of tea.

Children enter through the school and/or individually. Something to prepare on a wet day in the holiday perhaps.

As usual, if anyone has any ideas for classes in the future please tell the Committee, or ring them with any queries.

## ST DOMINIC SCHOOL

St Dominic School Entry comprises Handwriting and Painting, which is displayed on the walls at the far end of the hall, and is separated into year groups.

The teachers at the school decide on the subject matter for these classes and we would like you all to have a look at the work done by the children, who work very hard for the show each year, making both their parents and the teachers very proud of them.
